The Acrylic Mirror Advantage

Our high-quality acrylic mirrors offer lightweight, shatter-resistant alternative to traditional glass mirrors, making them ideal for decorative signs and creative expression.

Shatter Resistant

Will not shatter like glass even with accidental bumps or drops.

Lightweight & Easy to Hang

Simple to install, easy to hang, built to last.

Crystal Clear Reflection

Our high-quality acrylic gives a clear, brighter than glass mirror image.

Easy to Clean

Keeps looking great with minimal effort.

We Mirror Your Support

Let us help you turn a plain mirror into something very special. From simple shapes and ornaments to 4"x 6" custom mirrors.

We offer:

- Experienced design help
- Your image will never wear off
- Design is printed on back before mirroring
- Clear, safe, laser cut acrylic mirrors
- Helpful staff
- 25+ Years of experience
- Quick turn around times
- Made in America
- No waiting for oversea shipments
